# Taste the Essence of Delight

*Welcome to Aslı, where tradition meets taste. For over 30 years, we've been crafting authentic, handmade delicacies that celebrate the rich heritage of Turkish cuisine.*

*Indulge in our curated selection of mouthwatering breakfast options, time-honored Turkish dishes, signature milk-based and sherbet desserts, freshly baked pastries, artisan coffee, and a wide variety of local beverages. At Aslı, every detail is designed to make you feel at home, with a touch of timeless elegance.*

## A Tasteful Responsibility

*At Aslı, we believe that honoring food goes hand in hand with respecting the resources that make it possible. That's why we are committed to reducing food waste — from our kitchens to your table.*

*Instead of a traditional '**shared breakfast**,' we proudly offer a '**selective breakfast**' experience — serving only what you truly desire, in just the right portions. This allows us to maintain the highest quality while reducing unnecessary waste.*

*We invite you to join our movement: simply inform our team about any items you'd prefer to exclude from your order. Together, we can make every meal more mindful.*

*Savor responsibly. Enjoy wholeheartedly.*

# ALL DAY BREAK FAST

A significant portion of the 12 million tons of food that goes to waste in Turkey every year is spreading from  
*(Shared Breakfast)*  
originates from  
Did you know?

That's why at Aslı, we serve a selective breakfast instead of shared breakfast

Fried Eggs Wiht Butter

On average,  
*4 out of 10 plates*  
from a Shared

trash. To reduce waste, Aslı  
offers customizable breakfast  
options instead.

That's why at Aslı, we offer
